January 18 Meeting Info

Bush Legacy Republican Women will host Senator Craig Estes at our January meeting. Senator Estes represents the 30th Senatorial district located in North Texas and was first elected to the Texas Senate in a 2001 Special election. The Texas Senate elected him president pro tempore during the 83rd Interim.

Senator Estes serves as Chairman of the Natural Resources and Economic Development Committee and as a member of the Senate Committee on State Affairs, Business and Commerce and Nominations.

A life-long conservative, Senator Estes is committed to promoting the conservative principles he shares with his constituents in his role as a legislator. Since his election to the Texas Senate, he continually works to cut spending, reduce unnecessary government regulations, promote economic freedom, protect innocent human life and protect the constitutional right to bear arms.

Senator Estes received commendation from a variety of groups for his conservative leadership. He is a strong advocate of private property rights and the only member of the Texas Legislature to have received the Texas State rifle Association's highest award following the last two legislative sessions.

Senator Estes was born in Wichita Falls and represents the fifth generation of his family to call North Texas home. He is a man of faith, an avid outdoorsman, and an active member of the Wichita Falls community. He and his wife Jennifer have been married for over 39 years and have three adult children and seven grandchildren.

Our meeting will be on Thursday, January 18th at 11:30a.m. at the Doss Center. Reservations are required by calling Gayle Norris at 281-507-9261 or email gcnorris@att.net. The cost for the program is \$15.00 per person.
