

Bush Legacy Republican Women of Weatherford

AUGUST 2019

It's August in Texas and things are not just heating up outside, but they are HOT in the 2020 race for the Presidency. Donald Trump is gaining support each day, there are still those that are walking away from the left leaning, socialist, Democrat party and opening their eyes. The problem is that the media doesn't want anyone to know so they continue to report only the one-sided negative press. As I watched the events in El Paso unfold, I couldn't help but think that it would be politicized at the first opportunity. I wasn't wrong. The media painted Donald Trump as everything but our President. It is as simple as this, those intent on committing a crime will find a means and a way. While the left will say that prayers are not enough, I say that prayer is essential to healing and they are missing the truth that is our creator God. It is a lack of God in this world that is creating the hate that keeps driving the unstable to madness and to the killing we see not just in mass numbers but in crime riddled cities around the United States. We must share that truth and continue to speak the truth and protect the truth!

In September we will be voting by secret ballot for our 2020 board nominating committee and then in October we will vote and elect our 2020 board. If you are interested in being on this committee or the 2020 board, please contact me or another board member. I have a brief description of all positions that I can send out to help give a clearer idea of what each of the duties entails. Allen West gave an excellent presentation at the August PCRCP meeting. There is a lot happening in the Texas Republican Party and a great way to keep informed is to join in at the PCRCP meeting, the first Thursday of the month at Weatherford College Strain Room @ 7pm.

If you missed the July meeting, we had a great time! Richard Hayes gave an entertaining presentation on the Parliamentary Process...who would have thought that making trail mix could be a teaching tool but that is exactly what we did. Learning from past conventions, I can truly say that this was not nearly as exhausting. We are excited to have the Honorable J. Wade Birdwell with us at our August meeting on the 15th. Wade Birdwell of Arlington is judge of the 342nd Judicial District Court in Tarrant County. He is a member of the State Bar of Texas, Tarrant County Bar Association, Texas Bar Foundation, and the Tarrant County Bar Foundation.

Please RSVP to Gayle Norris and join us for lunch!

Inspire and Empower...the future of Republican Women starts with you

Robin Milhorn

2019 President
